EKUANTUM · ADD-ON MODULE

# STOP LIVING IN YOUR INBOX

An AI employee that manages your entire business inbox. It tidies, replies, summarizes and, above all, recognizes your customers.

EK

WHAT IT DOES

# An employee that reads all your email

## 01 ORGANIZES

Classifies and labels everything that comes in.

## 02 RECOGNIZES

Knows who each customer is and prioritizes them.

## 03 REPLIES

The routine on its own; the delicate as a draft.

## 04 SUMMARIZES

A daily report of what matters to your phone.

EK

THE DIFFERENTIATOR

# The only email agent that KNOWS WHO YOUR CUSTOMERS ARE

Connected to your CRM, it prioritizes and personalizes every reply.

EK

HOW IT WORKS

# Connect your inbox and forget about it

1 You connect your inbox (Zoho / Gmail / IMAP)

2 AI runs it 24/7

3 You only review what it decides to surface

EK

TRUST RAMP

# You decide how much authority it gets

**Copilot** → **Approval** → **Autopilot**

At your pace. Start watching, raise the level when you trust it.

PRICING

# €990

## ONE-TIME PAYMENT · NO FEES

Works on your own business inbox. Without VAT. Requires the client's inbox (Zoho Mail / Gmail / IMAP). An AI Employee add-on (which already includes basic outbound email).

# Your email working for you, not the other way around.
