A PLATFORM FOR EVERY BUSINESS

Not every store is built the same

Every business needs a different store. We look at your product, your volume and where you're heading, and honestly recommend the platform that truly fits you. With over 28 years and more than 30,000 clients behind us, we build stores that load fast, convert and grow with you.

THE WORLD'S #1

Sell fast, without touching a server

Ideal for: brands that want to launch now, scale without limits and sell on social too.

- ✓ Fully hosted, updated and secured by Shopify
- ✓ The biggest app and feature store on the market
- ✓ Payments, shipping and taxes built in
- ✓ Sell on Instagram, TikTok, Facebook and Google
- ✓ Enterprise-grade performance and security

DESIGN & DEVELOPMENT

€900

SHOPIFY FEE (BASIC PLAN, MONTHLY)

from €33/mo

FULL CONTROL

Your store is yours, no strings

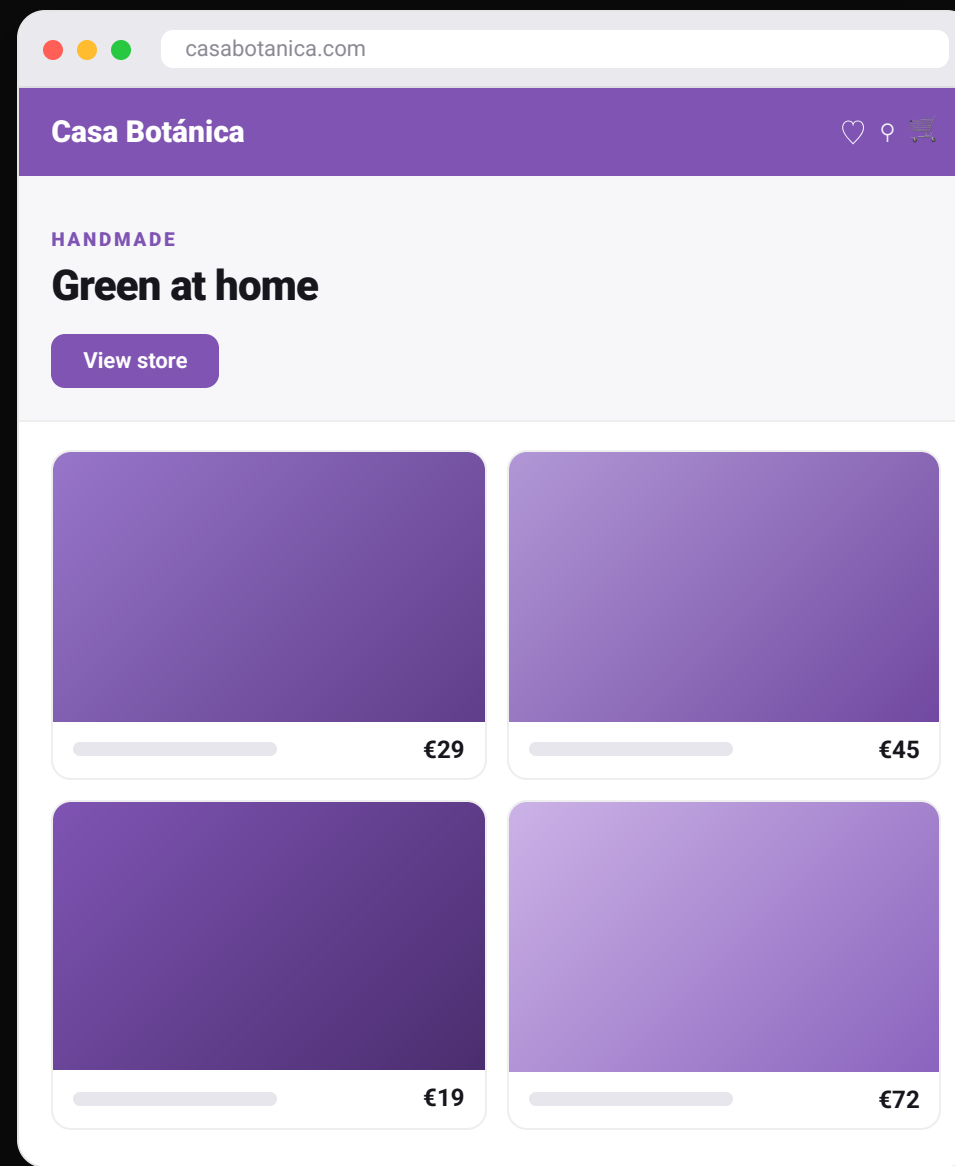

Ideal for: anyone who wants to own their store 100%, with total flexibility and no platform fees.

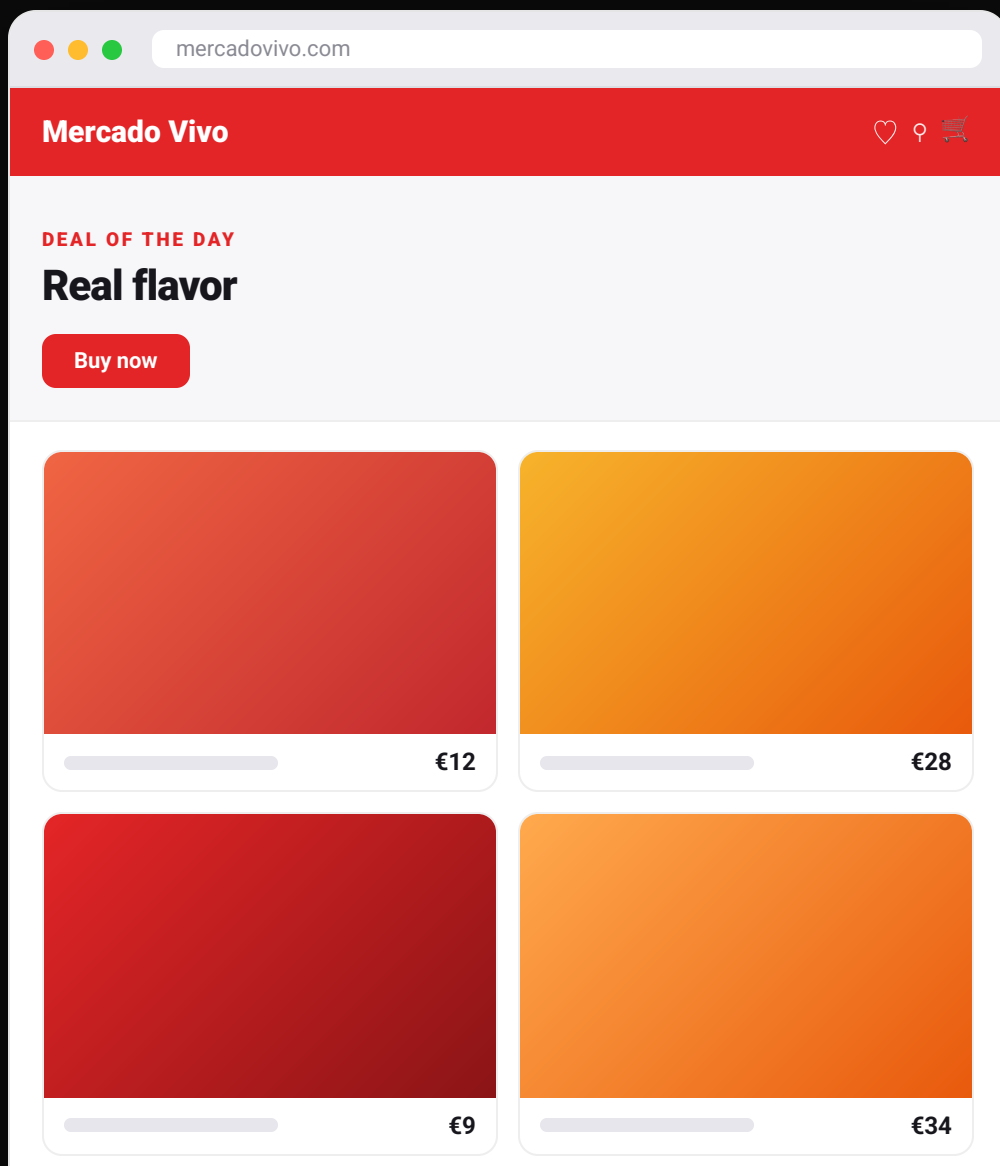

- ✓ Open source: your store is yours forever
- ✓ Thousands of plugins, limitless customization
- ✓ Integrates with your WordPress site and blog
- ✓ No platform commission on every sale
- ✓ Scale at your pace, on your own hosting

DESIGN & DEVELOPMENT

€900

HOSTING & MAINTENANCE

from €89/yr

ALL CONNECTED

Your store inside the Zoho ecosystem

Ideal for: businesses already using (or wanting) Zoho One: CRM, invoicing, inventory and store in one place.

- ✓ Integrated with Zoho One: CRM, Books and Inventory
- ✓ Built-in SEO to rank first
- ✓ Automated emails and cart recovery
- ✓ Multi-currency to sell worldwide
- ✓ The option we recommend to EKONE clients

DESIGN & DEVELOPMENT

€600

MONTHLY FEE

€27/mo

✓ **Included FREE in EKONE Revolution**

CHOOSE

Which store is right for you?

Want to launch fast and forget the technical side?

Shopify is your platform.

Want full control and absolute ownership of your store?

WooCommerce gives you limitless freedom.

Already use Zoho or EKONE and want it all integrated?

Zoho Commerce connects everything.

SELL EVERYWHERE

Your store, in your customers' pocket

Your store doesn't live only on your website. We connect it with Instagram, TikTok and WhatsApp so you sell right where your customers already spend their day, with a fast, frictionless buying experience from their phone.

Instagram

TikTok

WhatsApp

ALL INCLUDED

Everything your store carries inside

**Custom design**

Responsive themes and a visual editor, with your brand identity.

**Infrastructure & SSL**

Domain, hosting and security certificate ready from day one.

**Payments & shipping**

Card payments, shipping and tax calculation set up.

**Inventory & orders**

Control stock, variants and the full lifecycle of every order.

**Built-in SEO**

Optimized so Google finds and ranks you.

**Sell on social**

Connect with Instagram, TikTok, Facebook and Google Shopping.

**Abandoned cart**

Automated emails that recover the sales slipping away.

**Coupons & offers**

Discounts, promos and campaigns to sell more.

**Multi-currency**

Sell to customers worldwide in their own currency.

**Product reviews**

Add credibility with ratings from your customers.

**Customer portal**

Every customer manages their orders and account.

**Sales analytics**

Measure what works and decide with data, not hunches.
